

PHYSICS HAPPENINGS #15
17 APRIL 1985

1. Notices of Awards and grants have appeared in many places. For your convenience, I have summarized all the information below.

We have done very well this year. Congratulations to all the winners!

NSERC POSTGRADUATE SCHOLARSHIPS

George DURLER BSc Specialization UIII for MSc

Bao TRAN MSc Thesis Option II for PhD

DAVID J. AZRIELI FELLOWSHIP

Chun Zheng WANG for entry to PhD

This is the University's highest postgraduate award, and only one is awarded each year.

CONCORDIA UNIVERSITY GRADUATE FELLOWSHIP

Khaled NEGM for entry to MSc.

NSERC UNDERGRADUATE RESEARCH AWARDS AT CONCORDIA

Mark HANNA BSc Specialization UIII - at UBC

J. Ross THOMPSON BSc Specialization UII - Summer 1985

Additionally the department was awarded 3 Challenge '85 summer positions for 1985. These three individuals will work with the Charlton-Eddy-Shin Group under this programme.

CANADIAN ASSOCIATION OF PHYSICISTS WORKSHOPS ON LASERS AND APPLICATIONS

J. Ross THOMPSON, BSC

May 1985

(This was an open competition across Canada. Winners receive coverage of registration fee and housing and meal allowance)

NSERC GRANTS

S. T. Ali*	\$10,000	(new three year award)
D. Charlton, N. W. Eddy, J. Shin	\$10,000	(one year-term)
B. Frank	\$10,410	(renewal 2/3)
R. L. Hall*	\$ 9,170	(renewal 2/3)
C. S. Kalman	\$ 8,800	(renewal 2/3)
S. K. Misra	\$26,330	(renewal 2/3)
S. K. Misra (with N. R. Lewis)	\$20,370	(equip. grant)

\$95,080

* Faculty member from Mathematics department participating in the Physics graduate programme.

A total of 2 PhD and 5 MSc students should graduate at the 1985 Convocation (of this total 1 PhD & 1 MSc received fall graduation).

2. BITS AND PIECES

Dave Charlton will return to Montreal by the end of June. The Computer Centre has reorganized their assignments of programmer/analysts. From now on each department is assigned the service of a particular programmer analyst. Physics has been assigned Ms Tan Bui - local 315.

C. S. KALMAN
CHAIR, PHYSICS DEPARTMENT
